Product Image

Description

Handcrafted in the USA Constructed of ultra-durable glass fiber reinforced concrete (GFRC) with inner steel frame Heat, weather and rust resistant Brass burner is made in the USA CSA Certified Blaze exclusive phantom (PHTM) color finish which will complete any outdoor space The Blaze 38” fire bowl has an elegant shape with a rustic finish that fits beautifully into all backyard settings. Handcrafted in the USA by skilled artisans, the Blaze 38” fire bowl features a premium brass burner and is available for use with either propane or natural gas.

Includes fire bowl leveling feet and brass burner, lava rock filler, storage cover, and lifting strap
Heat output 120,000 BTUs Propane (11 lbs. internal) 85,000 BTUs Natural Gas
8’ LP hose with regulator or 8’ NG host with quick connect socket
Propane option: requires a 20 lbs. propane tank (not included) that must sit outside of the fire table
3.5 – 7 hour burn time (high/low) for a 20 lbs. tank
Battery operated push button ignition
Safe for use on a wooden deck
5-year limited warranty on body, 2 year limited warranty on internal components
Some variation in color and finish is to be expected – Blaze is not responsible for damage that occurs due to freezing weather
Once purchase, unit cannot be converted into a different type of gas
Natural gas option: certified for use with professionally installed natural gas lines
