Description

ActionFit Kids Action Zone Course | Model UP277

Build a structured outdoor fitness route for ages 5 to 12 with ActionFit Kids Action Zone Course, model UP277. The package brings together six individual exercise stations designed for different movement goals, including an accessible strength station.

Features

- Model: UP277
- Designed age group: 5 to 12 years
- Primary use: multiple types of movement, stretching, balance and agility
- Configuration: Package of six individual ActionFit Kids stations
- Outdoor application: school, park, or recreation fitness course

Included Fitness Zones

Model	Station	Activity
UP268	Accessible Strength Zone	Accessible upper-body strength
UP269	Step Zone	Stepping and coordination
UP270	Stretch Zone	Flexibility
UP271	Balance Zone	Balance
UP272	Challenge Zone	Agility
UP273	Hero Zone	Movement challenge

UP267 Strength Zone is a separate individual station and is not substituted for UP268 in the documented six-station package.

Review the current model-specific installation and use-zone requirements, required surfacing and accessibility arrangements before finalizing the layout. Request DunRite Playgrounds project specifications.
