Description

Hex Hive | UPLAY-052-N

Hex Hive (Natural). This is the Natural (green, brown and tan palette) version of the Hex Hive playground structure. Play components include Beanstalk and mountain climbers, a window panel, and two slides accessed from the 4-foot deck: one 4-foot straight slide and one 4-foot right-curved slide. The listed model defines its specific configuration; alternate color palettes, shade/roof assemblies, and mounting hardware are not interchangeable without checking the corresponding SKU.
