## Product Image

## Description

### Hex Hive | UPLAY-052-P

Hex Hive (Playful). This is the Playful (red, blue and yellow palette) version of the Hex Hive playground structure. Play components include Beanstalk and mountain climbers, a window panel, and two slides accessed from the 4-foot deck: one 4-foot straight slide and one 4-foot right-curved slide. The listed model defines its specific configuration; alternate color palettes, shade/roof assemblies, and mounting hardware are not interchangeable without checking the corresponding SKU.
