Description

Dog Park Amenities | BarkPark model PBARK-441SM

STICK LIBRARY, SURFACE MOUNT. This dog-park amenity adds a designated visitor-use station or convenience feature. Check the exact-model equipment description for what is supplied. This is the **PBARK-441SM** configuration; versions with different mounting, materials or included components carry separate SKUs. Consult the exact installation drawing for required clearances, footing details and site preparation.

Compare compatible activity configurations

Other models in this activity family may offer a different mounting arrangement, size, quantity or feature package. They are separately specified products, not selectable checkout options.

Model	Manufacturer description	Installation
PBARK-441	STICK LIBRARY, INGROUND	Inground

For a coordinated dog park, this equipment can be planned alongside appropriate agility obstacles and visitor amenities such as leash stations, drinking fountains, waste stations and seating. Any companion equipment is sold separately unless the exact-model description explicitly includes it. Verify the chosen site layout and any accessory compatibility before ordering.
