Compare compatible activity configurations

PBARK-451 is the verified five-foot Cozy Companion model with inground mounting. Do not assume an alternate mounting or seat length is offered without a separately verified manufacturer model.

Model	Manufacturer description	Installation
PBARK-451	BARK PARK COZY	Inground mount only

COMPANION

For a coordinated dog park, this equipment can be planned alongside appropriate agility obstacles and visitor amenities such as leash stations, drinking fountains, waste stations and seating. Any companion equipment is sold separately unless the exact-model description explicitly includes it. Verify the chosen site layout and any accessory compatibility before ordering.
