## Product Image

## Description

**Pet Waste Station | BarkPark model PBARK-468**

Bark Park Mini quick pet station, Inground, (includes sign, bag dispenser, bags & post). Dog-waste management stations help visitors collect and dispose of waste. Contents and construction differ between the exact-model packages. This is the **PBARK-468** configuration; versions with different mounting, materials or included components carry separate SKUs. Consult the exact installation drawing for required clearances, footing details and site preparation.

For a coordinated dog park, this equipment can be planned alongside appropriate agility obstacles and visitor amenities such as leash stations, drinking fountains, waste stations and

seating. Any companion equipment is sold separately unless the exact-model description explicitly includes it. Verify the chosen site layout and any accessory compatibility before ordering.
