Description

36-Gallon Kensington Trash Receptacle with Solid Lid and Plastic Liner 41-SL

The UltraSite model 41-SL is a complete 36-gallon Kensington outdoor trash receptacle supplied with a solid lid and plastic liner, as recorded in the 2026 manufacturer catalog. For outdoor waste collection, distinguish the receptacle body from separately cataloged lids, liners, decals and mounting components. The exact model listing controls the included lid and liner configuration. Coordinating furnishings may be selected from matching manufacturer collections when the style is verified. Confirm which lid and container capacities are compatible; alternative lids are separately ordered where identified.
