Description

55-Gallon Augusta Trash Receptacle with Door and Flat-Top Lid AGD-55FT

UltraSite model AGD-55FT is a complete 55-gallon Augusta outdoor trash receptacle with an access door and flat-top lid, as identified in the 2026 manufacturer catalog. It is a complete receptacle rather than an individual lid, liner or replacement accessory. The source description does not establish that a liner is included; confirm liner requirements and compatibility before ordering.

Product specifications

Selection and compatibility

Choose this complete receptacle where a 55-gallon Augusta collection unit with a service door and flat-top lid is required. Any replacement liner, alternate lid, mounting hardware or other accessories must be confirmed for compatibility and ordered separately when not expressly included in the manufacturer listing. Verify installation and finish requirements for the selected model before ordering.
