Description

6-Foot Savannah Backless Slat Bench 921-S6

The Savannah 6-foot commercial bench without a back combines open slat seating with the collection's substantial steel framework. It is designed for coordinated park, campus and streetscape furnishing layouts where a backless bench offers flexible approach and seating.

Feature	Specifications and choices
Exact model	921-S6
Bench length	6 ft nominal length; model 921-S6. Select the matching table or backed bench by its own SKU.
Seat and style	Backless slatted steel seating; Savannah 921 series
Frame	2 in. × 2 in. welded square steel tube frame
Finish	UltraCoat thermoplastic standard; powder-coated finish may be available at an additional charge
Installation	Portable or surface mount; confirm anchoring and configuration at quotation
Hardware	Stainless-steel fasteners

Other Savannah sizes and configurations

Model	Nominal length	Style
921-S4	4 ft	Slat, without back
921-S6	6 ft	Slat, without back
921-S8	8 ft	Slat, without back

The Savannah Collection also includes coordinating tables (920 series) and benches with backs (922 series). The 6-foot Savannah table model 920-S6 is a separately priced companion; the 6-foot 922-S6 slat bench with back is another coordinating choice. Available

colors and premium finish selections should be confirmed for the selected model. Other collection products are separate SKUs, not included with this bench.
