Description

6-Foot Savannah Slat Table 920-S6

Model 920-S6 is the 6-foot Savannah Collection outdoor table. This commercial furnishing uses UltraSite's broad welded steel frame and slat table configuration to complement Savannah benches in public parks, school campuses, courtyards and outdoor gathering areas. The stated length identifies this SKU, not every table offered in the collection.

Feature	Exact-model detail or available choice
Model	920-S6
Nominal length	6 feet
Pattern	Slat
Frame	2 in. by 2 in. MIG-welded square steel tubing
Coating	Standard UltraCoat thermoplastic; powder-coated finish available as a manufacturer upgrade
Installation choice	Portable or surface mount, confirm required anchors and site conditions
Hardware	Stainless steel
Finish colors	Select from current manufacturer thermoplastic and frame palettes; specify color with quotation

Compare Savannah table configurations

Model	Nominal length	Configuration
920-S4	4 ft	Standard table
920-S6	6 ft	Standard table
920-S8	8 ft	Standard table
920H-S8	8 ft	Accessible table configuration, separate model

The Savannah Collection also includes backless benches in the 921 series, benches with

backs in the 922 series, and coordinating receptacles. Select companion sizes and Slat, Morning or Bow patterns according to the space. Tables, benches, receptacles, finishes requiring an upcharge, and installation hardware not specified as included are separately quoted; they are not bundled with this table.
