Description

The UltraSite Richmond model 63S-HS8 is the 8' richmond series slat table, powder coated steel - inground configuration. Its cataloged length is 8 ft. This SKU features powder-coated horizontal steel slats and the standard seating arrangement. The Richmond 63 series uses an all-welded structural steel frame and is offered with horizontal steel slats or recycled-plastic planks. The recycled-plank version uses 2-by-4-inch planks and a 2-3/8-inch outside-diameter support frame. Inground and surface-mount choices have different SKUs; accessible seating is available in separately specified models. The Richmond collection also includes companion benches, receptacles, and other coordinated furnishings.
