Product Image

Description

The UltraSite Richmond model 63S-R8 is the 8' richmond series recycled table - in ground configuration. Its cataloged length is 8 ft. This SKU features recycled plastic planks and the standard seating arrangement. The Richmond 63 series uses an all-welded structural steel frame and is offered with horizontal steel slats or recycled-plastic planks. The recycled-plank version uses 2-by-4-inch planks and a 2-3/8-inch outside-diameter support frame. Inground and surface-mount choices have different SKUs; accessible seating is available in separately specified models. The Richmond collection also includes companion benches, receptacles, and other coordinated furnishings.

Model specifications and choices
