Product Image

Description

The UltraSite Durham model 98-GRN4 is the 4' durham bench, w/out back recycled green, pc frame configuration. Its cataloged length is 4 ft. This SKU features recycled plastic planks, green and the without back arrangement. The Durham series pairs curved cast-aluminum legs with powder-coated steel slats or recycled-plastic planks, according to the SKU. The 98 series is backless and the 99 series has a backrest; common seating lengths are 4 and 6 feet. For recycled-plastic models, the catalog includes brown, cedar, green and gray planks, while the metal-seat alternatives include horizontal and vertical slat patterns. These are separate configurations rather than selectable values on a single-priced SKU.

Coordinating products: The Durham collection also includes compatible or complementary furnishings. Examples in our catalog include 99-S4 (4 foot DURHAM BENCH WITH BACK

VERTICAL SLAT POWDERCOATED). These are separate SKUs and are not included with 98-GRN4.

Ordering guidance: Confirm selected color or finish, installation surface, clearances and any separately ordered accessories in the quotation. The configuration and size shown for this exact model take priority over family-wide choices.
