Description

6-Foot Jackson Slat Table | 97-S6

The Jackson 6-foot commercial outdoor picnic table pairs slatted steel seating and tabletop with the Jackson Collection's clean square-frame appearance. The powder-coated steel construction provides a consistent look for parks, school campuses and public dining areas. Model 97-S6 identifies the 6-foot version, not the ADA-version table.

Feature	Specifications and choices
Exact model	97-S6
Nominal length	6 ft
Table style	Integrated picnic seating with steel slat tabletop and seats
Material and finish	Powder-coated steel frame and slats
Frame	Steel square-tube frame; stainless-steel hardware
Installation	Portable or surface mount configurations; verify anchors and installation site
Colors	Manufacturer powder-coat color choices; confirm selected finish before ordering

Jackson table configurations

Model	Configuration
97-S6	6-foot standard table
97-S8	8-foot standard table
97H-S8	8-foot accessible (ADA) configuration; separate SKU

The Jackson Collection also includes coordinating benches with backs (96 series), backless benches (95 series), planters and 36-gallon trash receptacles with different lid choices (JK-36 series). For a coordinated setting, consider the matching Jackson bench and receptacle SKUs.

Companion furnishings are sold separately and are not included with model 97-S6.
