Description

P600H-D | UltraSite Fire rings

The P600 family combines a fire ring with a hinged grate for cooking and cleanup. This exact SKU is the 18-inch-high version. The double-ring model uses an inner ring and is sold as its own configuration. The fire ring uses heavy steel construction intended for permanent campground installation. Check site fire regulations and maintain safe clearances.

Collection choices and accessories: Matching outdoor furnishings, finishes and separately priced accessories are identified in the manufacturer catalog. Order a distinct SKU whenever

the material, size, mounting or included accessory changes price. Check exact model compatibility before combining components.

Selection guidance: Confirm the desired finish or color, installation area, product capacity and site requirements with the quotation. The exact model specification takes precedence over general collection information.
