Description

Steel Backing Plate for CL and LL Benches M-BACKPLT STEEL

The UltraSite M-BACKPLT STEEL is a steel backing plate accessory intended for use with compatible CL and LL benches. This SKU represents the backing plate only and does not include a complete bench. Confirm the exact bench model and required mounting hardware before ordering.

Product specifications

Model	M-BACKPLT STEEL
Product type	Steel backing plate accessory
Intended use	Compatible CL and LL benches
Manufacturer catalog description	BACKING PLATE (STEEL) - CL & LL BENCHES
Published shipping weight	15 lb
Included item	Steel backing plate only; bench and other components sold separately

Compatibility and installation

Verify the CL or LL bench model and its attachment requirements using the manufacturer assembly documentation. Do not assume the backing plate fits other bench families or that mounting fasteners are included unless specifically confirmed.
