Description

PORTABLE MODERN DOUBLE SIDED 10 foot LONG

5500 Series Modern Double Sided Bike Rack

The modern double sided bike rack is a larger capacity bike rack. The unit is constructed using 1 5/8 inch OD steel tubing with 5/8 inch OD rung bars, heavy duty casted clamps and a galvanized finish. Bike racks are available in 5, 8 and 10 foot lengths. Available as portable ONLY. Powder coat color options are available (additional). All zinc plated hardware. MUST ship via LTL carrier.
