Description

Check out the fun with five games in one! Original: Drop in your checkers and be the first to get 4-in-a-row to win. PopOut: PopOut feature helps you get 4-in-a-row by popping a checker out instead of dropping one in. Pop 10: Start with the grid full of checkers and pop them out. If its part of a 4-in-a-row, you get to keep it. First to keep 10 wins. Power Up: Use the Power Checkers to pop out one of your opponents checkers or an entire row. Use the "Go Again" checker to give yourself another turn! 5-in-a-Row: For an added challenge use the wings to be the first player to get 5-in-a-row! For 2 players ages 7 and up.

Includes lockable grid, top locking mechanism, game base (doubles as a carrying handle), 21 yellow checkers, 21 red checkers, 2 scoring slides, 2 cardboard sliders and instructions.

Improve 3-D visualization in this tic-tac-toe styled game.
