Product Image

Description

Here's a bench that matches ornate strap legs with pine, recycled plastic, or cutting edge heat-cured ash lumber. The ash and plastic lumber versions offer a maintenance free bench that still has a classic park bench style.

Heat-cured lumber (ash model only) comes with a 30 year warranty

Black powder coated galvanized steel strap frame

6 Mounting holes for permanent mounting

Available in yellow pine, recycled plastic lumber, and in heat-cured ash lumber.
