Product Image

Description

This the the pedestal table that started it all, still available in two heights. It was so popular we now make it in 24" sizes and expanded metal. Two heights are available: 30" high for our C-1 chairs and 40" high for our C-2 barstools.

Perforated metal top - 36" in diameter
11 Gauge steel construction
Thermoplastic finish
Stable pedestal base - 30" or 40" high
1 3/4" Umbrella hole
