## Description

---

We also offer a multicolored perforated receptacle to match our lineup of perforated benches and tables. If you have a large or elaborate logo, this receptacle offers the most space for your message. Nearly half of the receptacle's surface can be available for your design. The second color assures that your message will be displayed to its fullest advantage.

Customized logo or words manufactured into the receptacle

Secondary color included

11 Gauge steel

Thermoplastic finish

Pre-drilled mounting holes

Lids/liners sold separately
