## Product Image

---

## Description

---

Here is a receptacle that's perfect for businesses, malls, shopping centers, and municipalities. The receptacles have space on each door for any logo to be manufactured into the steel. The arch lids keep rain out of the liner, and the locked doors allow easy access for emptying.

TWO units shown!

Includes square plastic liner and arch lids as shown

Your choice of keyed, Allen wrench, or nut locks on door

11 Gauge steel

Thermoplastic finish

Each bin clearly marked for trash or recycling

Optional Dog Waste Bag Dispenser and Smoker's Outpost (shown)

Leveler mounts included
