Product Image

Description

We make attractive and sturdy swivel seating, but sometimes you need to vary your seating. To that end, we've designed a portable version of our personalized swivel bar chairs with four legs instead of a surface mount base. Give your patrons a great seat anywhere you need to.

17 ½" Wide (armless)/21" wide (with arms) - 44 ¾" tall

30" Seat height

11 Gauge perforated metal seat and back

Thermoplastic (shown) or powder coat finish u Foot rail

Optional arms

Automatic centering or 360° swivel option
